a) The bidder withdraws its bid during the period of specified bid validity.

Or

b) The successful Bidder does not
a) accept the Purchase Order, or

NIT No.: TPCODL/P&S/1000000165/2021-22

b) furnish the required Performance Security Bank Guarantee

4 Bid Opening & Evaluation process

4.1. Process to be confidential

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process. Any effort by a Bidder to influence the TPCODL's processing of Bids or award decisions may result in rejection of the Bidder's Bid.

4.2. Technical Bid Opening

Bids will be opened at TPCODL Office, Bhubaneswar. All tender bids shall be opened internally by TPCODL. Presence of any bidder will not be allowed during bid opening process. Technical bid must not contain any cost information whatsoever.

First the envelope marked "EMD" will be opened. Bids without EMD/cost of tender (if applicable) of required amount/ validity in prescribed format, shall be rejected.

Next, the technical bid of the bidders who have furnished the requisite EMD will be opened, one by one.

4.3. Preliminary Examination of Bids/Responsiveness

TPCODL will examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the Bids are generally in order. TPCODL may ask for submission of original documents in order to verify the documents submitted in support of qualification criteria.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price per item that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price per item will be corrected. If there is a discrepancy between the Total Amount and the sum of the total price per item, the sum of the total price per item shall prevail and the Total Amount will be corrected.

Prior to the detailed evaluation, TPCODL will determine the substantial responsiveness of each Bid to the Bidding Documents including production capability and acceptable quality of the Goods offered. A substantially responsive Bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviation.

Bid determined as not substantially responsive will be rejected by the TPCODL and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

4.4. Techno Commercial Clarifications

Bidders need to ensure that the bids submitted by them are complete in all respects. To assist in the examination, evaluation and comparison of Bids, TPCODL may, at its discretion, ask the Bidder for a clarification on its Bid with respect to the TPCODL specifications and attempt will be made to bring all bids on a common footing. All responses to requests for clarification shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted owing to any clarifications sought by TPCODL.

4.5. Price Bid Opening

Price bids will be opened internally without the presence of any bidder representative. The EMD of the bidder withdrawing or substantially altering his offer at any stage after the technical bid opening will be forfeited at the sole discretion of TPCODL without any further correspondence in this regard.

Property of TPCODL – Not to be reproduced without prior written permission of TPCODL

NIT No.: TPCODL/P&S/1000000165/2021-22

4.6. Reverse Auctions

TPCODL reserves the right to conduct the reverse auction (instead of public opening of price bids) for the products/ services being asked for in the tender. The terms and conditions for such reverse auction events shall be as per the Acceptance Form attached as Annexure VI of this document. The bidders along with the tender document shall mandatorily submit a duly signed copy of the Acceptance Form attached as Annexure VI as a token of acceptance for the same.

5 Award Decision

TPCODL will award the contract to the successful bidder whose bid has been determined to be the lowest-evaluated responsive bid as per the Evaluation Criterion mentioned at Clause 2.0. The Cost for the said calculation shall be taken as the all-inclusive cost quoted by bidder in Annexure I (Schedule of Items) subject to any corrections required in line with Clause 4.3 above. The decision to place purchase order/LOI solely depends on TPCODL on the cost competitiveness across multiple lots, quality, delivery and bidder's capacity, in addition to other factors that TPCODL may deem relevant.

TPCODL reserves the rights to award contract to one or more bidders so as to meet the delivery requirement or nullify award decision without assigning any reason thereof.

In case any supplier is found unsatisfactory during delivery process, the award will be cancelled and TPCODL reserves right to award contract to other suppliers who are found fit.

6 Order of Preference/Contradiction

In case of contradiction in any part of various documents in tender, following shall prevail in order of preference:

1. Schedule of Items (Annexure I)
2. Post Award Contract Administration (Clause 7.0)
3. Submission of Bid Documents (Clause 3.0)
4. Scope of Work and SLA (Annexure VII)
5. Technical Specifications (Annexure II)
6. Acceptance Form for Participation in Reverse Auction (Annexure VI)
7. General Conditions of Contract (Annexure VIII)

7 Post Award Contract Administration

7.1. Special Conditions of Contract

1. The contract shall initially be placed for a period of one year only. Based on the performance of the BA, TPCODL reserves the right to extend the contract on a year-to-year basis for a period of further 1 year as per the agreed rates.
2. Business Associate (BA) shall submit applicable Performance Bank Guarantee as per GCC within 15 days of issuance of Purchase Order. **PBG applicable shall be 10% of Order Value.** PBG submitted, shall be released after completion of applicable guarantee period plus one month.
3. Any change in statutory taxes, duties and levies during the contract period shall be borne by TPCODL.
4. All the terms and conditions of TPCODL General Conditions of Contract shall be applicable.

7.2 Delivery Terms

Refer Annexure VII

NIT No.: TPCODL/P&S/1000000165/2021-22

7.3 Payment Terms

The bidder shall submit the invoices on monthly basis and the payment shall be released within 30 days from the date of submission of certified bills/ invoices.

7.4 Climate Change

Significant quantities of waste are generated during the execution of project and an integrated approach for effective handling, storage, transportation and disposal of the same shall be adopted. This would ensure the minimization of environmental and social impact in order to combat the climate change. Please refer attached Environment Policy and Sustainability Policy, Annexure-XI for more details.

7.5 Ethics

TPCODL is an ethical organization and as a policy TPCODL lays emphasis on ethical practices across its entire domain. Bidder should ensure that they should abide by all the ethical norms and in no form either directly or indirectly be involved in unethical practice.

TPCODL work practices are governed by the Tata Code of Conduct which emphasizes on the following:

- We shall select our suppliers and service providers fairly and transparently.
- We seek to work with suppliers and service providers who can demonstrate that they share similar values. We expect them to adopt ethical standards comparable to our own.
- Our suppliers and service providers shall represent our company only with duly authorized written permission from our company. They are expected to abide by the Code in their interactions with, and on behalf of us, including respecting the confidentiality of information shared with them.
- We shall ensure that any gifts or hospitality received from, or given to, our suppliers or service providers comply with our company's gifts and hospitality policy.
- We respect our obligations on the use of third party intellectual property and data.

Bidder is advised to refer Tata Code of Conduct (TCOC) attached at Annexure X for more information.

ACCEPTANCE FORM FOR PARTICIPATION IN REVERSE AUCTION EVENT

(To be signed and stamped by the bidder)

In a bid to make our entire procurement process more fair and transparent, TPCODL intends to use the reverse auctions as an integral part of the entire tendering process. All the bidders who are found as technically qualified based on the tender requirements shall be eligible to participate in the reverse auction event.

The following terms and conditions are deemed as accepted by the bidder on participation in the bid event:

1. TPCODL shall provide the user id and password to the authorized representative of the bidder. *(Authorization Letter in lieu of the same shall be submitted along with the signed and stamped Acceptance Form).*
2. TPCODL will make every effort to make the bid process transparent. However, the award decision by TPCODL would be final and binding on the supplier.
3. The bidder agrees to non-disclosure of trade information regarding the purchase, identity of TPCODL, bid process, bid technology, bid documentation and bid details.
4. The bidder is advised to understand the auto bid process to safeguard themselves against any possibility of non-participation in the auction event.
5. In case of bidding through Internet medium, bidders are further advised to ensure availability of the entire infrastructure as required at their end to participate in the auction event. Inability to bid due to telephone line glitch, internet response issues, software or hardware hangs, power failure or any other reason shall not be the responsibility of TPCODL.
6. In case of intranet medium, TPCODL shall provide the infrastructure to bidders. Further, TPCODL has sole discretion to extend or restart the auction event in case of any glitches in infrastructure observed which has restricted the bidders to submit the bids to ensure fair & transparent competitive bidding. In case of an auction event is restarted, the best bid as already available in the system shall become the start price for the new auction.
7. In case the bidder fails to participate in the auction event due any reason whatsoever, it shall be presumed that the bidder has no further discounts to offer and the initial bid as submitted by the bidder as a part of the tender shall be considered as the bidder's final no regret offer. Any offline price bids received from a bidder in lieu of non-participation in the auction event shall be out-rightly rejected by TPCODL.
8. The bidder shall be prepared with competitive price quotes on the day of the bidding event.
9. The prices as quoted by the bidder during the auction event shall be inclusive of all the applicable taxes, duties and levies and shall be FOR at TPCODL site.
10. The prices submitted by a bidder during the auction event shall be binding on the bidder.
11. No requests for time extension of auction event shall be considered by TPCODL.
12. The original price bids of the bidders shall be reduced on pro-rata basis against each line item based on the final all-inclusive prices offered during conclusion of the auction event for arriving at Contract amount.

ANNEXURE VII

Scope of Work

Background

TP Central Odisha Distribution Limited (TPCODL) is a joint venture between The Tata Power Company and the Government of Odisha. TPCODL serves a population of 1.36 Crore with Customer Base of over 26 Lakh spread over an area of 29,354 Sq. Km.

TPCODL intends to upgrade the existing distribution infrastructure and adopt new technologies, including new age digital services to provide reliable power supply, enhanced customer services and reduce AT&C losses in a systematic manner.

Presently in TPCODL, most of the customers are read by Spot Billing Machines (SBM). Non-SBM customers are read manually by all the division offices and after quality check, bills are printed at the division office and distributed through the concerned SDO/JE. These bills contain only the basic customer data and meter data apart from the readings and do not contain additional information about tariff, payment avenues, nearby office address, contact details for lodging grievances, etc. In house locked cases, spot bill is not issued at site. Further, disconnection notices are not served along with non-SBM bills.

In order to improve the customer services, TPCODL intends to engage a third party Printing agency to carry out the following key activities:

- a. Printing of bills of non-SBM customers
- b. Printing of Disconnection Notices
- c. Printing of Duplicate Spot bill
- d. Stapling of Inserts, as required
- e. Delivery at designated division offices in packed envelope.

- 1.6 Odia/Hindi format may also be required to be printed as required by TPCODL from time to time.

2. Printing of Electricity Bills

The Business Associate has to print electricity bills on pre-printed stationery or variable data printing (VDP) using data given by TPCODL on blue, red and green bills depending on the logic given in data file in duplex using multiple trays. The stacking of bills should be on same order as per the data sequence. The printing will be bilingual Odia and English. Sometimes the Business Associate may be asked to print the files after rearrangement of data file (like Agency wise, Division wise etc. as per the requirement of TPCODL)

NIT No.: TPCODL/P&S/100000072/2021-22

3. Printing of letters on white plain stationery along with the bills.

The Business Associate has to print selectively on white plain stationery front side bilingual and staple along with the bills. The text will be predefined and some values will be printed using main data file depending on the flag set on the same electricity bill printing data file. The stacking of printed letters should be placed along with the bills in the same sequence. The number of letter could be any number as per the requirement.

4. Printing of letters on white plain stationery (without any bills)

The Business Associate has to print on white plain stationery front side bilingual. The text will be predefined and some values will be variable. The data file will be provided separately.

5. Software development/arrangement for printing of electricity bills and all other kind of printing

The Business Associate has to develop software at his own cost for printing of all kinds of printing through VDP. The software modification will be the continuous part as per the requirement of TPCODL and will be done as per the SLA agreed upon.

6. Packing of printed matters

- 6.1. The Business Associate has to pack the printed matters for delivery at Executive Engineer (Division Manager) office in all the 20 divisions of TPCODL. This should be packed in stripped packing. The packing need not be in plastic bags. Unpacked bills if found will be considered as undelivered and payment will not be made against this.
- 6.2. The bills required to be stacked/ packed division wise in separate bundle according to walking sequence/route of each customer. The walking sequence / route shall be provided by TPCODL.
- 6.3. Separate bundles shall also be provided for the SBM customers (House Locked) according to their walking sequence. These shall be delivered to their respective Executive Engineer (Division Manager) office to further handover to meter reading agency.

7. Server and Link

The Business Associate has to provide facility of server and link for Data file uploading and downloading for VDP at his own cost. No extra cost will be given for server and link from TPCODL side.

NIT No.: TPCODL/P&S/100000072/2021-22

8. Stapling of Inserts

The Business Associate has to staple the inserts in the bills. The stapling of inserts could be any numbers at a time. The stapling of inserts could be in all bills or in selective bills or MRU wise all bills, district wise all bills.

9. Delivery of Printed matters

The Business Associate has to deliver the packed printed matters at TPCODL site at our divisional offices. Normally printed matters are required to deliver at designated bill delivery room at each Executive Engineer building (designated location/room). In case, if the bills are left outside the building or bill room the same will be considered as undelivered.

Other Information to the Business Associate

10. Print Run Estimate

Currently the billing of Non-SBM TPCODL customers (0.7 lacs approximately) is done once in 30 days. Apart from that Disconnection notices in default connection (0.7 Lac approximately), Bill printing in House locked (HL) cases (0.5 Lac approximately) and Disconnection notices of SBM customers in case of HL (0.1 Lac approximately) will be printed. This means 2 lacs bills will be printed in a month approximately. Workload is staggered throughout the month. The delivery will be done on all days at any time round the clock.

11. Data handover for printing

Generally, data will be handed over for printing between 11:00 A.M. to 11:00 P.M. and will be uploaded on all the days except 26th January, 15th August and 2nd October. The above said timing may vary as per mutual consent.

12. Delivery of printed Bills at TPCODL

13. Stationery Stock

Since the advertisement / format has to go for certain period therefore based on the period of advertisement the preprinted stationery order will be given. Business Associate should keep stationery stock level at least for 30 days consumption (TPCODL can randomly check the same at any point of time). When the stock is left only for 15 days then the Business Associate should start dialogue with TPCODL for further printing of stationery. The TPCODL and party both should be very sensitive on the availability of pre-printed stationery. In case, TPCODL decides not to use

NIT No.: TPCODL/P&S/100000072/2021-22

the existing format and goes for new revised format, TPCODL will buy back those stationery which are left unused (unused declared by the TPCODL). The Business Associate cannot claim for any stationery which is printed wrongly by the Business Associate. This is Business Associate's responsibility to keep the stationery on their own to ensure sufficient back up of stationery at any point of time. If there is no advertisement to be printed, then either TPCODL will provide its own TPCODL advertisement or certain text will be printed at the space of advertisement. The TPCODL will also try to give at least three months' stock to party at a time.

14. Data Handing Over

14.1. Confirmation of Data receiving will be within 2 hours from the time of Data Submission by TPCODL. The time taken for submission of printed bills will be calculated from time of data receiving time provided the data is received within 2 hours of data submission otherwise it will be calculated from data time submission by TPCODL.

14.2. TPCODL will inform through telephonically/email regarding the submission of data.

14.3. If there will be any issue on link of data submission then party has to arrange to collect the data from TPCODL site at their own cost.

14.4. The party has make to arrangement for data lifting, storage like link, server etc. at their own cost.

15. Incremental Scope of work:

- The Business Associate will provide the sample hard copies of new approved stationary for the final approval from management before printing the entire lot.
- Business Associate will be penalized for any delay in delivery of bills due to the shortage of the stationary, logistics issues or missing bills without any prior information.
- TPCODL shall place bulk orders for the stationary but during the course of the time, BA may be asked to print stationary in small lots to avoid wastage. TPCODL will convey such requests at least 15 days prior to printing. If such a request is not catered to by the BA, it may result in hampering the quality of work. If in such cases a huge lot is printed by the BA, then the wastage will not be attributable to TPCODL and the cost of un-used stationary shall be borne by the BA.
- .CDR Files to be created and provided by BA for any changes in creative.
- BA needs to make changes to the stationary as and when it is required by TPCODL.
- BA shall make visits to TPCODL offices on regular basis, at least once a month. All division offices shall be covered during the year. On specific requirement, EIC may ask BA to visit any division to take cater to any operational issue.

Appendix 2: CSM-F-1 Safety Category Qualification form

1. “**Safety Category Qualification Form**” is part of vendor registration form. It needs to be filled by the contractor at the time of Registration and should be submitted to Requester / order manager with all relevant documents.
2. The same will be evaluated by Safety Concurrence Group of the Division (SCG) as per the criteria given in CSM-F-5.
3. Information provided by contractor will be verified during site visit.

Safety Category Qualification Form

Please consider my application for

Category A Vendor: Vendor eligible to carry out Very High- and High-risk O&M jobs

Category B Vendor: Vendors eligible to carry out technical jobs, classified as Medium / low risk

Category C Vendor: Vendors eligible for to carry out low or very low risk administrative and office jobs

Category D vendor: All Consultants, Medical Practitioners or vendors taking job from Tata Power and working from their own premises.

Please refer the attached document [Safety Terms and Conditions](#).

Appendix 4: CSM- F-3- Safety Performance Evaluation Criteria

1. A certain percentage of the bill value will be retained against every running bill as safety performance retention. The amount will be released with the last invoice or every six-month based on Safety Performance Score of contractors. The retention amount will be calculated based on contract value as below.

Contract Value	Retention Amount (%)
Up to 10 Lakhs	2.5
10 – 50 lakhs	2
0.5 to 10 Cr	1.5
>10 Cr	1

2. The evaluation criteria include Lead Indicators such as CFSA (Contractor Field safety Audit) score, percentage of workers trained in TPSDI, inspection of critical equipment. Lag indicators such as Fatalities, LWDC and man days lost.
3. The retention amount saved will go to a separate Safety Improvement Fund.
4. For the contract value of more than Rs 1 Cr or contract duration more than 12 months, the retention amount shall be released half yearly based on safety performance. For all remaining contracts, the retention amount will be released with the final bill.
5. Long term jobs with low value (Less than Rs. 1 Cr.) are exempted from the safety retention. Invoice of these type of jobs can be cleared without safety retention.
6. In case of job stoppage due to safety violations / unsafe observations at the site, no time extension shall be given to the contractor, if such delays are attributable to contractor.
7. In case of fatality, limb loss or loss of property, vendor must pay for liability, legal, statutory and additional mutually agreed settlement charges imposed by the appointed committee. This charge is over and above the retention amount.
8. The committee will finalize an amount between 5 -50 lakhs based on factors such as advise by statutory authorities, contract value and impact of accident etc.
9. Safety performance bonus 1% (limiting to 50 lakhs) of the invoice value will be considered at the end of the job if the contractual safety performance score 100%.
10. During the progress of the work, concerned Supervisor/Engineer will visit and inspect the work site regularly and evaluate the safety performance of the contractor based on matrix attached herewith and apply the Consequence management policy as applicable.
11. Order Manager, divisional chief and SBU head have the authority to terminate the contract in case of three consecutive serious violations.

Appendix 12: CSM-F-5 Safety Potential Evaluation Criteria for Vendor Registration

At the time of vendor registration, vendor will be registered under 3 categories

- 1) **Category A-** Vendors eligible to carry out High risk Jobs
- 2) **Category B-** Vendors eligible to carry out technical jobs that are low risk
- 3) **Category C-** Vendors eligible to carry out administrative and office jobs
- 4) **Category D-** Outsourced Jobs / Consultants /Medical Practitioners / Suppliers etc

For vendors to be registered under **Category A**, a safety potential evaluation will be carried out based on following parameters.

Sr. No	Description	Weight age (%)	Actual Score	Remarks
1	Does the contractor have a valid ISO 45001/ OHSAS 18001/ Certification?	30		
2	During site visit check for safety adequacy at site	30		Annexure - 12.1
